Trestle Inc.'s Accomplishments

Fr. Bill Scafidì noticed the neglected, graffiti-laden railroad trestle and had a vision to bring beauty to Newburgh through art on this wall at the Newburgh Waterfront. Trestle Inc. was formed.

And "Archways" Mural was created on the trestle, the largest display of public art along the Hudson River.

Children's art hangs on Colden Street as part of Trestle's Young Palettes Envision the Hudson.

Trestle Inc. designated 2011 as the year To Salute Our Heroes and held a number of events to honor heroes throughout the year. This concert was the first event, organized and presented in collaboration with ArtsLEAF (a component of the Community Foundation of Orange and Sullivan), the Newburgh Enlarged City School District, and sponsored in part by the Hudson Valley Federal Credit Union Financial Services. Proceeds were given to the VA Medical Center at Castle Point and to ArtsLEAF.
